

## Waiver & Release

### City of Temple GIS Information

GIS information is provided by the City as a public service. GIS products are for informational purposes and may not have been prepared for or be suitable for legal, engineering, or surveying purposes. They do not represent an on-the-ground survey and represent only the approximate relative location of property boundaries and other features.

While GIS information may be useful to locate, identify, and inventory public infrastructure within the City of Temple, no warranty, express or implied, is given by the City as to its accuracy. The City of Temple does not provide a warranty of fitness or merchantability, express or implied, and does not accept liability for errors or omissions in such data. Users are encouraged to do their own independent assessment of the validity of such data and to verify the accuracy of such data before using it.

The City's GIS information has been compiled from a variety of sources and the information contained therein is subject to change without notice from the City of Temple.

In accepting GIS information from the City, User agrees to hold the City harmless and knowingly waives any and all claims for damages against the City of Temple, Texas.
